MIDWAY BOOSTERS Presents SWISS MISS 2016

Mission Statement:

Every girl who participates in Swiss Miss will be helped by the Midway Boosters, Swiss Miss director and volunteers to become her best in each area of the competition. The girls will be taught to compete only against themselves and have FUN while trying something new. What matters most is that each girl does her best and is a better person because of the competition. Our goal is to empower these young women to recognize and strive toward their greater potential.

Swiss Miss participants will focus on each of the following:

- To recognize and develop individual strengths and abilities
- To strive to be their very best self inside and out
- To make new friends and become a positive role model among their peers
- To build confidence through representing and serving in the community
- To gain a greater appreciation for the city of Midway

Role of the Swiss Miss Participants, Royalty and Parents:

The Swiss Miss Participants and Royalty must be willing to:

- Always be on time
- Be where they are supposed to be when they are supposed to be
- Be respectful and kind
- Be easy and fun to work with
- Use good manners
- Speak kindly to and about others
- Work hard and be willing to try new things
- Dedicate the necessary time to perfect and polish performances
- Put all personal differences aside and work together as a team ALWAYS

Additional Role of the Swiss Miss Royalty

The Swiss Miss Royalty will consist of the Swiss Miss and four attendants.

The royalty is to act as hostesses at Swiss Days and should stay together as much as possible, and acquaint themselves with general information so as to be courteous and helpful to visitors.

During Swiss Days there should be a parent or parents involved with and supervising the royalty during the day for safety and compliance purposes. A list of how roles and responsibilities might be divided up by Swiss Miss royalty parents is available from the Boosters board member.

The royalty will perform during Wasatch County Fair Days, Swiss Days, Swiss Christmas, and next year's Swiss Miss pageant. It would be greatly appreciated if the Swiss Miss also performed at Midway's July 4th devotional since this event is also sponsored by the Midway Boosters.

The royalty is asked to find at least two ways to serve the community during their reign. This expectation is to be outside their normal performance and public event responsibilities.

The reigning Swiss Miss and her parents/guardians should act as coordinators with the reigning attendants and their parents/guardians to help in planning and building the float under the direction of a Boosters board member.

The float and royalty will participate in five parades, which typically are Swiss Days, Wasatch County Fair Days, Days of 47 Children's Parade, Orem's City Festival, and Pleasant Grove's Strawberry Days. This allows each member of the royalty to have shared responsibility to support at least one parade during the year.

Role of the Swiss Miss Parents

Parents will take responsibility of the Swiss Miss royalty beginning immediately after the pageant, and will provide leadership and mentoring to the royalty throughout the year until the next royalty is selected.

The parents must be willing to:

- Put aside egos and work together as a team ALWAYS
- Permit their child to dedicate the necessary hours to perfect and polish performances throughout the year
- Arrange for their child to attend and be on time to all rehearsals, meetings, service projects, parades, and performances, prepared with everything they need
- Be willing to work as a team with other parents, dividing up responsibilities equally related to supporting the royalty and their activities, and always keeping in mind that the most important aspect of being involved with the Swiss Miss is that the girls work as a team, get along, grow closer together throughout the year and represent Midway appropriately.
- Avoid any and all negative statements of any kind. Be positive, be optimistic, be patient, be cooperative, and be a team.
- Be able to transport and accompany the float during each parade
- Accompany the girls when they are performing to ensure safety and appropriate behavior
- Lead by example

Participation:

Participants are expected to be kind, respectful, and well-groomed young ladies, between the ages of 9 and 13 as of May 31 in the year they participate. Girls and their parents will be expected to abide by all rules and guidelines as they are presented in this welcome packet and as stated by the Midway Boosters, the Swiss Miss director and volunteers in each area of the competition. The five girls selected to make up the Swiss Miss Royalty will represent the city of Midway and will make appearances and perform at various events throughout the year (*additional information to follow*).

Budget:

The Midway Boosters will cover the cost of the pageant, parade fees, meals at Swiss Days, the float maintenance and fuel for transportation to parades, and the following expenses for the royalty:

- One traditional Swiss dress and headpiece.
- One pair of shoes and socks.
- A personal duffel bag.

A detailed budget with expenditure limits will be provided to the Swiss Miss royalty parents.

Parents of the Swiss Miss royalty will be responsible for all other clothing, props, and expenses.

Will everyone please look over this Rehearsal Schedule and see if the times you have been scheduled with the girls will work with your personal schedule. I need to have confirmation as soon as possible so we can print out the schedule to put in the packets for the tea this Saturday.

I would also like to invite everyone to attend the Final Rehearsal, Full Run Through and the Dress Rehearsal. These practices will be important to the girls. I would appreciate your help on these last days to make sure the girls feel confident and to go over any last minute "tweeks".

One last request...we would love to have any of you who can, join us this Saturday, February 6, for the Swiss Miss Tea so we can introduce you to the girls. Those who attend will you please dress up a little. We want to make this a special morning to kick off the pageant.

Please contact me with any questions or concerns. Thanks so much for your help!

Mayor's Message

Midway City Mayor*

General Plan Update

The City reported in our December newsletter about the review and revision of the Midway General Plan and we would like to inform the members of our community on the progress we have made since then. The General Plan was adopted in 2011 and we review the plan about every five years. This plan will guide Midway through the next few decades as we continue to grow and evolve as a community. There are many parts of our community that we want to stay the same but there are also elements that can become better if we plan correctly.

The City worked with Mountainland Association of Governments to create a survey to gather information from the residents about what they like about Midway and any changes that they would like to see happen in the future.

There were some main themes that were evident from the survey which included the importance of trails, open space, and animal rights to name some examples. The survey results have been discussed in the General Plan committees and these results are helping those committees make a recommendation regarding the language that should be in the General Plan to reflect the importance that those items have in our community.

Also the City recently held a General Plan Workshop so that we could gather public input regarding the General Plan. About 150 members of the community attended the workshop and hundreds of comments were gathered and will be reviewed by the chapter committees. We felt that the workshop was a great success and we are excited about moving forward with the General Plan review process during the second half of this year.

What is the next step in this process? We plan on reviewing the chapters over the next few months and then taking the chapters to the Planning Commission for their review and recommendation. Then the City Council will review the recommended plan and hopefully by the end of this year the newly reviewed and revised General Plan will be adopted by the City Council.

Come and join us for another wonderful Small Town Fourth of July in Midway!

July 4th will begin with a 6:00am firing of the cannon from Memorial Hill calling everyone to a 7:00am Sunrise Service on Town Square. Our featured speaker this year is Todd Hansen, host of the "Story Trek" television show. This will be followed by a pancake breakfast on the Square. Ongoing Heritage events will be taking place at the Community Center as well immediately after the breakfast:

Midway Beginnings: Stories, artifacts and anecdotes bring the past to life as John Besendorfer shares his knowledge.

Mining and Midway: Original slide presentation by Jerry Springer on local mining activities.

Heritage Home Tours: Meet at the Town Square Gazebo throughout the day.

Children's Melodrama Performance: 11:00am and 1:00pm on the Community Center lawn.

The day will close with the annual fireworks display over Memorial Hill at dusk.

ADDITIONAL EXTENDED ACTIVITIES

HIGH VALLEY ARTS will be presenting their stage production of "The Wizard of Oz" July 1st through July 16th at the beautiful outdoor theater.

MIDWAY ART ASSOCIATION's Annual Plein Air Paradise takes place June 24th - July 4th and is the largest painting competition of its kind in Utah. Events include "paint-outs" in Heber & Midway as well as a "Quick Draw" where artists paint a finished canvas in 90 minutes. For more information visit their website at:

www.midwayartassociation.org.

City Fireworks and Open Fire Restrictions

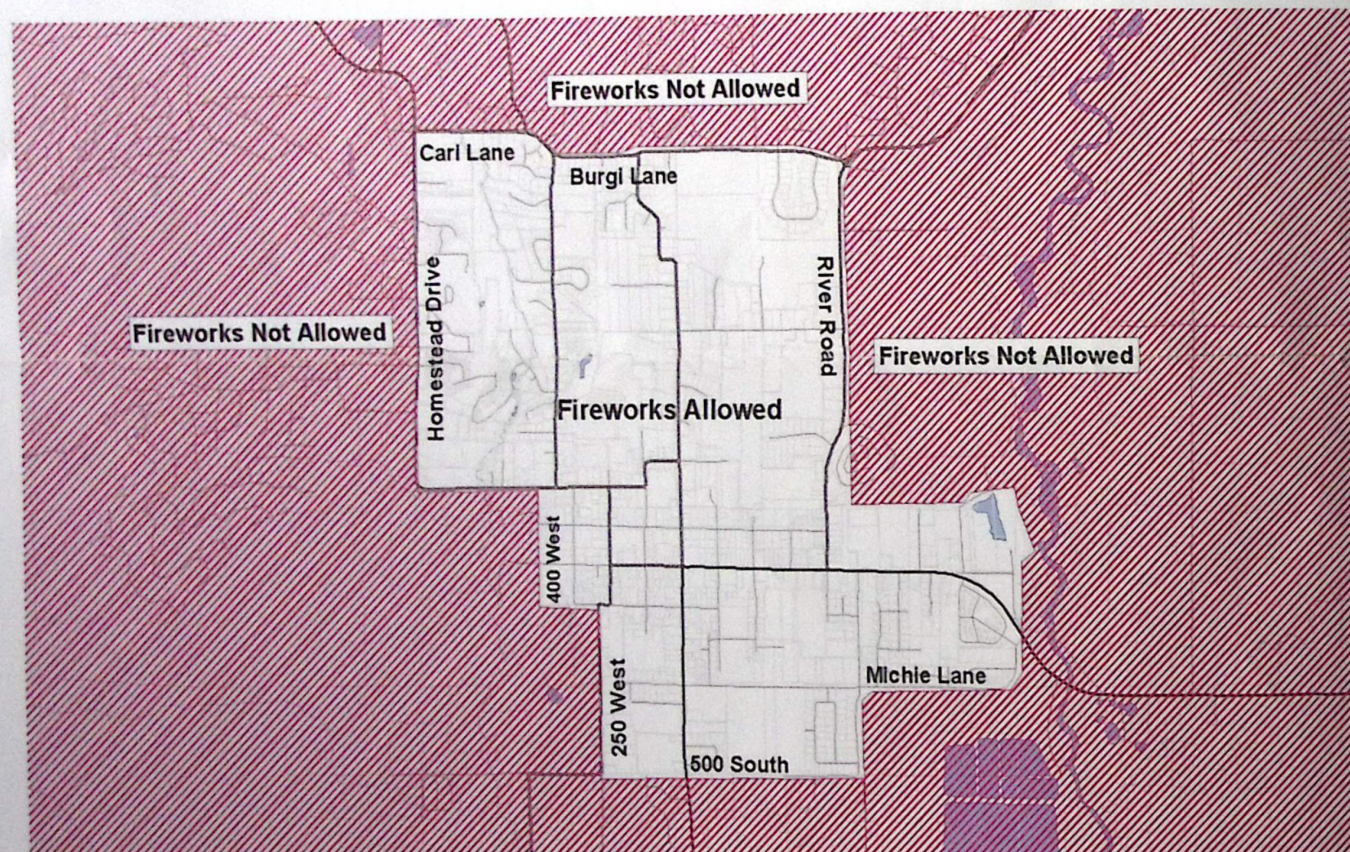

Midway City Council has enacted an ordinance restricting the discharge of fireworks within specific areas of the City. The geographical areas where restrictions are in force are effective July 1, 2016 for the discharge of any fireworks; including Class A, B and C, and open fires (see map on this page):

- North of Cari Lane, Burgi Lane, River Road from the round-about north.
- West of Homestead Drive, 400 West, 250 West.
- East of Michie Lane to Provo River
- South of 500 South
- Other areas where vegetation is overgrown.

Residents living in these listed restricted areas are welcome to come to the Town Square to use Class C fireworks such as igniters, fuses and "common fireworks", which are the smaller and less powerful fireworks available for sale and use by the general public. Please clean up your debris from your fireworks off the Town Square.

Be conscientious about your surroundings. The wet spring has caused wild grass to grow tall, and now that grass is drying out due to the hot temperatures. Refrain from shooting aerial fireworks near open fields with dry grass.

For more information on the restrictions, please contact the Wasatch County Fire Marshall at 435-671-1474, or visit www.utahfireinfo.gov - OR- www.midwaycityut.org.

ADDITIONAL FIREWORKS INFORMATION

Fireworks may only be discharged as noted:

July 1-3	11:00am to 11:00pm	July 21-23	11:00am to 11:00pm
July 4	11:00am to midnight	July 24	11:00am to midnight
July 5-7	11:00am to 11:00pm	July 25-27	11:00am to 11:00pm
July 8-20	Fireworks Not Permitted	After July 27	Fireworks Not Permitted

- State of Utah approved Class "C" fireworks can only be sold.
- You must be at least 16 years old to purchase fireworks.
- Keep a bucket of water nearby to place spent fireworks in, and keep them there for at least 12 hours.

An Answer From
Building Safety

Why Do I Need A Building Permit?

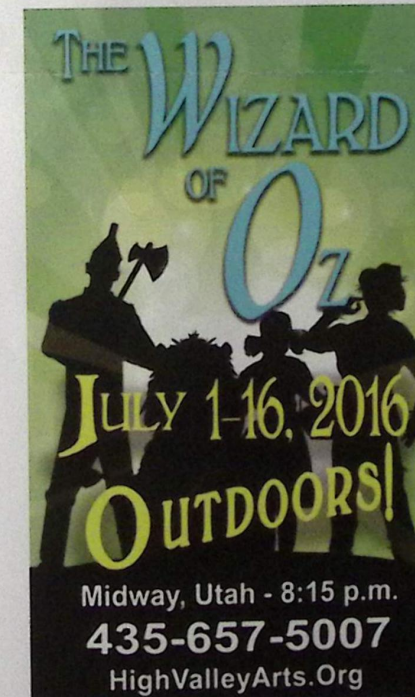

Often in the Building Safety department we are asked why we require a permit to do certain repairs to a home. The best and most important reason is for the safety of the occupants. Take for instance the home that needed the roof repaired and there are two layers of shingles on the roof. The code requires that those layers be removed before new ones are installed. This will allow a new layer of moisture barrier to be applied under the shingles to prevent leaks. The building inspector will inspect this barrier for proper installation in order to insure that later the roof will not leak and cause damage to the home or its contents. Another reason to not just install another layer would be the increased weight on the roof. This could have disastrous results if we experienced a winter with an unusually large amount of snow that could build up on the roof and it were to cave in. This could have serious consequences for the occupants of the home.

The same logic applies to other things such as replacing windows, installing a new heating system or water heater, covering or extending an existing deck, or adding a new deck. There are codes that are in place to protect the safety of the occupants and the permit process is the tool that we use to

insure that the codes are met and the work is completed to insure safety. We have purposely set the permit fees for many of these type permits low in order to encourage people to get their permit before they start the work. To finish the basement of an existing home is only \$100, to reroof a house is \$50, to replace a water heater is \$15. One of the code requirements that is unique to Midway, because our elevation is over 5,000 feet, is that any deck or porch that is attached to the house needs engineered drawings. This is also a requirement for any accessory buildings that exceed 200 square feet.

There are some things that do not require a permit. A tool shed or playhouse that is less than 200 square feet, a fence that is less than 7 feet high, finish work such as tile, carpet, counter tops, cabinets or painting.

If there is ever any question about what requires a permit, we would rather answer the question before you begin than to stop the work while the proper permit is obtained. We charge double for the permit if work is started before the permit is obtained. Please call the Building Department at 435-654-3223 ext. 1, or email jjackson@midwaycityut.org with your questions.

Midway Boosters Host the Annual Patriotic Small Town 4th Celebration

We look forward to our patriotic Small Town July 4th celebration sponsored by the Midway Boosters. It will start at 7 a.m. at the Midway Town Square.

The celebration will feature a flag raising ceremony, performances by the Swiss Chorus, Swiss Bell Ringers and Swiss Miss. Plus, Lane and Kathy McCotter will join us as this year's Honored Citizens of Midway.

Todd Hansen, host of the popular BYUtv series, *The Story Trek*, will be the featured guest speaker. His experiences of telling the stories of hundreds of people across our nation provide him with a very unique perspective of the rich human tapestry that makes up this nation.

Immediately following the program, there will be a pancake breakfast.

The fireworks show will begin at approximately 10:00 p.m. from Memorial Hill and can be seen from many locations across Midway.

Swiss Miss Royalty:

We extend our heartfelt thanks to Velma Evans who, for the past 20 years or more, has custom made the dresses for our Midway Swiss Miss Royalty. This year's dress will be premiered at the July 4th celebration.

We also thank Karla Jenkins who made the head wreaths for this year.

Scholarships:

We congratulate Kaleb Ethan Turner, Amy Simons, Chad Patterson and Kayla Peirce, this year's recipients of the Midway Boosters' four scholarships. We wish them the very best as they

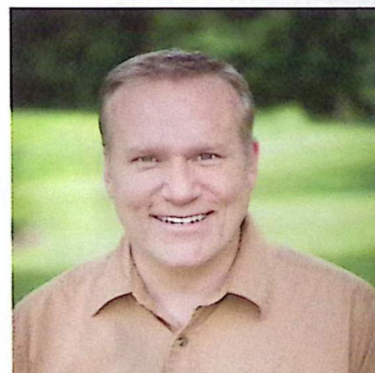

embark into the universe of possibility and encourage our Midway students who will graduate in 2017 to apply for these Boosters' scholarships. Thank you Launa Nielson and others who made this happen.

Main Street Beautification:

We extend our gratitude to all who helped plant and hang flowers sponsored by the Midway Boosters, especially Lisa and Clay Coleman who took the lead on this project. We also thank Jody Klotovich and Celeste Johnson for overseeing the Crèche storage move and Mayor Bonner for the delicious cinnamon rolls.

Facebook.com/FriendsofMidway:

We invite you to follow our Facebook page (Facebook.com/FriendsofMidway) to find out more about Midway. We welcome ideas by email at friendsofmidwayutah@gmail.com

Todd Hansen, host of the BYUtv series *"The Story Trek"*, will be the featured guest speaker at this year's flag raising ceremony.

17 July

Midway, Utah

Dear **Midway Boosters.**

We don't know how to begin this thank you as we have been honored so abundantly, so generously, and so kindly. We were completely taken by surprise when approached to be the Midway Honored Citizens for 2016.

Moving here 26 years ago this October, we have been surrounded by marvelous, exemplary people of faith, integrity, dedication and hard work. It has been a blessing unequalled in our family to live among such amazingly good citizens.

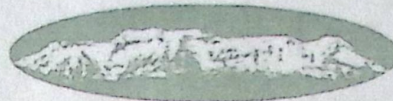

Finally after 52 years of marriage we live in the place we always dreamed of: we had to have a mountain. Now we live on the side of a mountain and are surrounded by majestic mountains, and within the blessed proximity many call "Mountains of the Lord's House."

When we looked through the beautifully presented gift basket, we marveled at the carefully chosen items, each having special meaning to the McCotters: The delightful keepsake handmade Swiss card with humbling message; the bottles of North Carolina born Cheerwine and biscuit mix (someone remembered Lane loved both!) the scrumptious Mrs. Calls candies; the Swiss apron and cherished Midway cookbook.

Words are very inadequate to express our heartfelt gratitude to you. Thank you for this honor.

With warmest regards,

Paul and Kathy

Dear Launa,

I want to thank you for your generous donation of \$4000 on May 17, 2016 to support the scholarship program. The recipients of the Midway Boosters Scholarships were Chad Patterson, Kayla Peirce, Amy Simons and Ethan Turner.

It is amazing to consider how every donation literally makes a difference. In a community such as ours, individuals consider the needs, values and the things that we believe are important and do something about it, on their own initiative.

Please note some of the areas that the Wasatch Community Foundation has recently supported:

- This year, 126 Wasatch High School graduates received over \$170,000 in scholarships. In addition, local schools received over \$72,000 for worthy projects that were not covered in the school budget.
- Community arts activities were organized to promote Heber Valley as a premier, renowned arts destination. The summertime "Concert in the Park" series was supported by donations of over \$10,000.
- Heber Helping Heber, the service committee of the foundation, connects county residents needing products and service to those who can offer help or resources. At Christmas time, 233 food boxes were prepared for children who would otherwise be without food over the school break.
- At Thanksgiving, a community dinner with entertainment was provided to 500 local residents.

We are so grateful to all who have done so much to make these major accomplishments happen. With your help, we hope to have another wonderful year of success.

Sincerely,

Deborah VanLeeuwen
Business Manager

In compliance with IRS regulations, we are providing this written receipt specifying your donation. The Foundation is a non-profit qualified 501(c)(3) organization (EIN: 87-0650772) and contributions are tax deductible to the extent allowed by law. No goods or services were exchanged for your contribution. Your generous gift is used for the enrichment of lives in Wasatch County.

THIS WEEK

Days of '47 Youth Parade

The 2016 Days of '47 Youth Parade will take place on Saturday, July 23rd, at 10 a.m. on the usual route in downtown Salt Lake City (west-bound on 500 South, from 500 East to Washington Square at the Salt Lake City and County Building). It's always a favorite prelude to the main Parade (Monday, July 25th, 9 a.m.). However, this year there will be something different about it.

Parade organizers have gathered the names of more than eight hundred children who lost their lives somewhere on the original Mormon Pioneer trail in the mid-1800s. Some perished at Winter Quarters in Nebraska -- others on the high plains of Wyoming or somewhere else along the way. The journey was more than nine hundred miles.

Each of those names will be assigned to one of the children participating in this year's Youth Parade so each child will be walking in memory and honor of one who never made it to the Salt Lake Valley. Upon arrival at the Parade finish, each child will post the name they walked for on a special banner where photos can be taken and memories preserved.

The Days of '47 invites you to come to Family Festival after the Youth Parade to review the list of children's names. If you are aware of a child not listed, please inform organizers at the Festival.

See the website at www.daysof47.com for more information.

Board Business Items:

Agenda Item 4: Community Funding –

- a) Presentation from Friends of Wasatch Mountain State Park about “Hit ‘n’ Piddle” Golf Fundraiser benefitting the installation of bathrooms that have early morning and late evening access outside of visitor center hours. (See attached flyer) A motion was made that Boosters become a master sponsor in the golf outing for \$900.00 plus an additional \$500.00 grant to the Friends of Wasatch Mountain State Park. An additional request to receive recognition via signage once the restrooms are built was added. The motion was voted on: 16 ayes, 5 nays. The motion carried.
- b) Heber Valley Choir and Orchestra has requested financial support for venue rentals and orchestra folders in the amount of \$1174.00. (See attached application) It was suggested we become sponsors of program for \$300.00 or maybe the amount needed for folders. No formal motion presented or voted on the suggestion. A motion was made that we grant the \$1174.00 requested if they list The Midway Boosters as a sponsor in performance programs. Motion was voted on and carried.

Community Updates:

Agenda Item 5: **Midway City Update** – Preparations are going on all over town for Swiss Days.

Board Non-Business Items:

Agenda Item 7: **Calendar 3 month review.**

Upcoming Summer Social, Swiss Days, newly added golf–Celeste Johnston will handle attendees.

Agenda Item 8: **2016 Committee Activities/Support**

- a) **Summer Social** - west lawn of Homestead Resort 5:30 buffet, 7 Pm concert RSVP by 16th. A suggestion to hold earlier next year to avoid conflicts was mentioned.
- b) **Merchandising** - Booster's Tent New designs shown. Scholarship idea in early stage discussed. Dabier's are arranging staffing.
- c) **Parade** – Great entrants already lined up. Needs helpers to help with line

up and to manage float exits. Also needs a shadow to take on Parade for 2017.

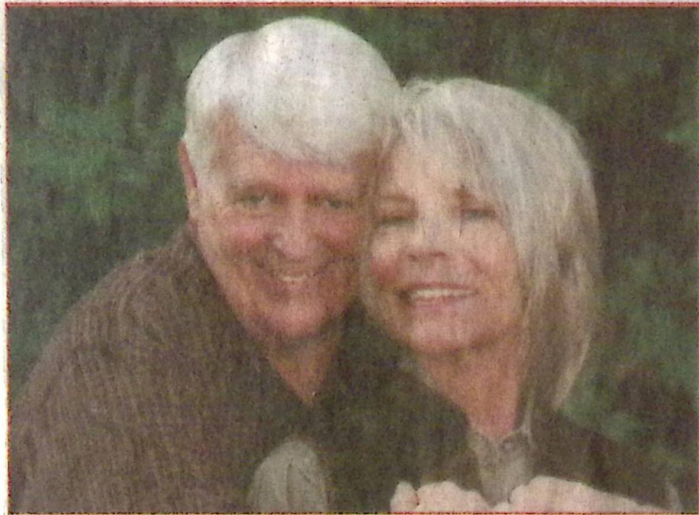

- d) **PR-Social Media-Advertising** – Crater video is done. Working on videos for Swiss Days and merchandise before Swiss Days.
- e) **Swiss Miss** – “Thanks for utilizing them so well.” Budgets discussed due to late expense submissions from last year.
- f) **Town Hall Entertainment** – One Voice Children’s Choir will perform. If anyone wants to perform have them contact M. von Rosen as soon as possible.
- g) **Swiss Christmas** – Vendor inquiries coming in now. Having less entertainment last year was well received. Food Truck addition was a success, with no (or very little?) overhead. Heather Rasband, Julie Clegg, and Ellen Bonner agreed to help plan the entertainment.

The European outdoor Christmas Market idea was discussed. It is a large undertaking. Our goal is to plan a sustainable and successful event. The event comes at a busy time for the community and with large competing events the same weekend. The President suggested the committee meet with the executive committee to plan an overall framework for this year’s event. (Hopefully before Swiss Days.)

Next meeting to be held Thursday September 8, 2016 at 7:30 PM.

The meeting adjourned at 8:45 PM.

Honored Citizens, Swiss Miss Welcome All to Swiss Days

Lane and Kathy McCotter

HONORED CITIZENS: Lane and Kathy McCotter have been blessed to call Midway 'home' for the last 25 years, and consider it a privilege to be part of this very special community.

Lane was raised in Mt. Holly North Carolina, the second of six children born to Richard Orson and Frances McCotter. In 1962 Lane graduated from North

Carolina State University, and received a commission in the United States Army. While stationed in the outskirts of Los Angeles California, he met and fell in love with his sister's roommate, Kathy Jeppesen and they were married in the Salt Lake Temple in 1964. Twelve days after their wedding, he received orders for his first one-year assignment to Viet-

nam. Lane received a Masters degree in Criminology and Corrections from Sam Houston State University, and is also a graduate of the FBI National Academy, the Army Command and General Staff College, and the Air Force War College. Colonel McCotter concluded his 24 years of military service as Commandant of the U.S. Disciplinary Barracks at Fort Leavenworth, Kansas. In 2015 at age 75, Lane retired after 10 years of service as a Utah Justice Court

Judge, presiding over the Wasatch County Justice Court.

Kathy was born in Nampa Idaho to V.K. (Jep) and Ferne Jeppesen; the second of three children. Her parents taught her to work hard, and to enjoy working. She and her mother gardened, milked cows, cleaned, and cooked meals for all the hired hands on their family ranch. After graduating from high school, Kathy attended a court reporting school in Los Ange-

les California where she met her husband, Lane. She used her 220 wpm stenotype skills working in many courtrooms and aiding Military Intelligence efforts in Germany. Above anything else, Lane and Kathy love being parents to their two daughters (Heidi and Felicia) and three sons (Monte, Tate, and Cade). They adore their 15 grandchildren and will shortly welcome their third great-grandchild. Through-

out Lane's career the family moved over 20 times. Lane and Kathy enjoyed helping at Swiss Days; making sauerkraut, bratzelis, Swiss bread, and scone dough. Kathy especially loved making gingerbread cottages for the Children's Justice Center, and participating in the Interfaith Crèche Exhibit.

Lane and Kathy dearly love Midway; the wonderful people, the beautiful mountains and peaceful valley. They are humbled and surprised at this honor, and send their love and heartfelt gratitude to all.

SWISS MISS COURT: The Midway Boosters are pleased to introduce this year's Swiss Miss Royalty. The Swiss Miss pageant was held in March, where five new representatives of Midway were chosen. Swiss Days, Sheep Dog Trials – Fun for the whole family

The hills of Midway were alive with the sounds of the Soldier Hollow Sheep Dog Trials and Swiss Days. Clockwise from far left: Crowds were amazed with the contestants of the Splash Dog exhibition; Midway's Mayor Colleen Bonner, along with this year's Swiss Miss Royalty, put in many long hours welcoming guests to Midway; The Wasatch High School Marching Band and Flag Team entertained the crowd at the Saturday parade down Midway's Main Street; Crowds had thinned out Saturday afternoon due to some unfortunate wrecks on SR 189 and Hwy. 40; A popular stop with Swiss Day's attendees was the Relief Society's baked goods booth where Bratzelies and Swiss Bread could be found.

She used her 220 wpm stenotype skills working in many courtrooms and aiding Military Intelligence efforts in Germany. Above anything else, Lane and Kathy love being parents to their two daughters (Heidi and Felicia) and three sons (Monte, Tate, and Cade). They adore their 15 grandchildren and will shortly welcome their third great-grandchild. Throughout Lane's career the family moved over 20 times. In 1990, their son Monte was killed while serving an LDS mission in Puerto Rico. Although the McCotters were living in New Mexico at the time, Monte was buried in the beautiful Midway City Cemetery. Within a year, the McCotter family had relocated to Midway, where they finally found a place to call home. Lane and Kathy enjoyed helping at Swiss Days; making sauerkraut, bratzelis, Swiss bread, and scone dough. Kathy especially loved making gingerbread cottages for the Children's Justice Center, and participating in the Interfaith Crêche Exhibit. She volunteered for the 2002 Olympic and Paralympic games, serving as attaché for the Ukrainian Paralympic team and forging cherished friendships. Kathy cared for her aging parents in her home for 11 years, and expanded her love of music by learning to play the harp. After the deaths of her parents, she became a trained hospice volunteer and played her harp to comfort many people. In 2007, Kathy was diagnosed with oral cancer and has been battling cancer and the side-effects of her treatments ever since. She faces her health challenges with courage and optimism; strengthened by the love of family and friends and by the grace of the Lord Jesus Christ.

Lane and Kathy dearly love Midway; the wonderful people, the beautiful mountains and peaceful valley. They are humbled and surprised at this honor, and send their love and heartfelt gratitude to all.

Swiss Miss Royalty

The Midway Boosters are pleased to introduce this year's Swiss Miss Royalty. The Swiss Miss pageant was held in March, where five new representatives of Midway were chosen. These young ladies will act as hostesses for Midway's annual Swiss Days celebration on the Midway Town Square September 2nd & 3rd. The Swiss Miss will perform at Swiss Days and other public events such as Wasatch County Fair Days and Swiss Christmas.

Left to Right: Abigail Scott, Polly Fotheringham, Savannah Heiner, Kathryn von Rosen, Morgan Lay

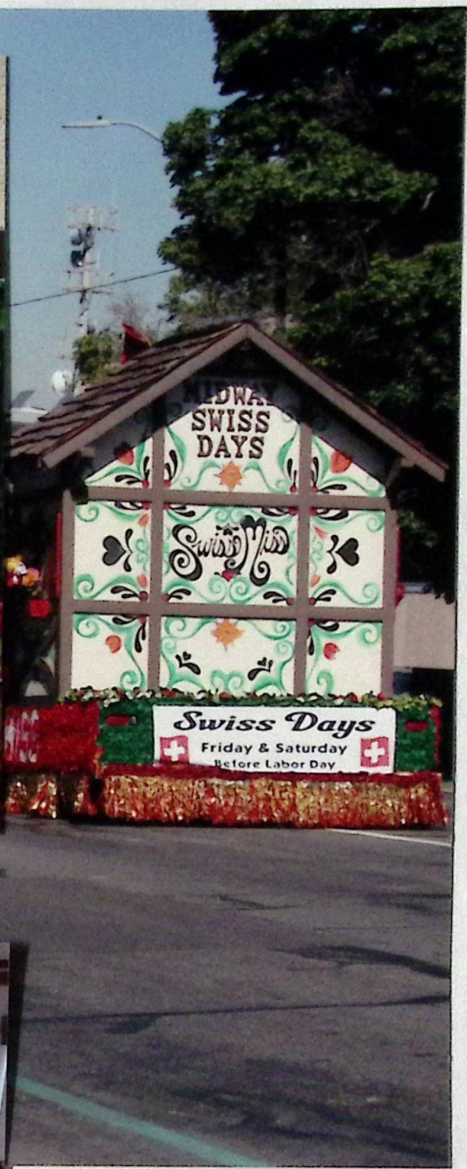

Savannah Heiner - Swiss Miss 2016 • Daughter of Aaron & Aimee Heiner Savannah was born in Naperville, Illinois. Her nickname is "Savvy" and it certainly describes her. She is the oldest of five and is the only girl with four younger brothers. Savannah has lived in Midway for the past six years. She loves to take Sunday walks with her family and enjoy the beautiful valley. Some of her favorite things to do are ice-skating, skiing, biking and paddle boarding. Savannah loves to travel and see new things. She also loves to try different types of food and especially likes veggie sandwiches. Savannah's favorite subject in school is math because she believes that every problem has a solution. Dancing is her passion!

Abigail Scott - Attendant • Daughter of Dave & Andrea Scott Abigail is a spunky 8th grader who is a performer at heart, and has been singing and dancing since she could talk. Favorite theater roles have been Jemima in Chitty Chitty Bang Bang and Molly in Annie. She also loves singing with One Voice Children's Choir. An excellent student, Abigail has served on Student Council, Peer Tutoring, and Cool2Care Ambassadors. She is the second of five children, and dreams of being a neurologist or pediatrician. Some other hobbies are babysitting, visiting Lake Powell, playing soccer, reading, rock climbing, wake boarding and anything daring including riding Cannibal at Lagoon over and over! She's grateful to be an ambassador of Midway through Swiss Miss!

Kathryn von Rosen - Attendant • Daughter of Michael & Kristen von Rosen Kathryn loves living in Midway and being surrounded by great neighbors and friends in this wonderful community she calls home. Blessed with creativity, curiosity and a love to innovate and solve problems, Kathryn perceives the world as a universe of possibility. She loves reading, writing, singing, acting and learning new things. She has started her own jewelry business with her own booth at Swiss Christmas. Kathryn has a big heart, a joyful disposition and a great sense of humor. She loves to make others feel better and is honored to be part of the 2016 Midway Swiss Royalty.

Morgan Lay - Attendant • Daughter of Tyler & Trish Lay Morgan moved to Midway shortly after her first birthday and loves this beautiful town. She lives up to her middle name of Joy in every way, and is a sweet and genuine girl who loves to lend a helping hand. This past year Morgan had the opportunity to be on student Council where she helped to start the Boot Filler program. This is a program that allows students to recognize each others kind deeds to one another. Morgan loves clogging and has competed, and received awards, in both individual and group competition at a national level. Morgan also enjoys boating with her family, hiking, swimming, playing the piano, and hanging out with her friends.

Polly Fotheringham - Attendant • Daughter of Lorin & Paige Fotheringham Polly is everybody's friend! She is a delight to be around and knows how to include everyone in the fun. She is the oldest of four children, a wonderful big sister and a huge help to her parents. Polly loves to be involved and is very social. She plays on the Storm soccer team, enjoys being on the Student Council, plays the piano, loves to water ski and is learning to wake surf. She loves reading, art and family vacations. Polly has a tender heart and can see when someone needs a smile, hug, or extra encouragement. She often goes the extra mile when asked to do something or when working on a project. She is a hard worker and loves life!

Interview Prep

Tell us about the Swiss Miss Royalty?

- This tradition goes back over 50 years. Each year 5 girls are selected in a pageant to be ambassadors of Midway. We are very honored to have been selected the 2016 Swiss Miss.
- We travel to parades like this one and bring our Swiss mountain home on the float. We live in this house. (just joking!) We also perform together, both dancing and singing.

Tell about your beautiful dresses

- These are Swiss Dirndls and they were handmade by an amazing Midway resident who has volunteered to make these for over 20 years. Each year's dress is unique. She probably doesn't want me to say her name, but it's Velma Evans and we are very grateful to her.

So what do you want to tell us about Midway?

- We want everyone to mark their calendars to come visit us for Swiss Days, Friday and Saturday, September 2 and 3. This two-day festival is really unique in many ways. It features great food, (like Lemon Yodls, Swiss Tacos and Bratwursts), great entertainment and amazing crafts which are for sale.
- We will be there to greet you and perform for you!
- The most amazing part is that we have over 2000 volunteers who work hard to make this a great festival.
- Many of the early pioneers who settled in Midway were from Switzerland, thus the Swiss theme celebrates Midway's ancestry.

Anything else you want to say?

- Thank you to all who organized this parade and thank you to you for covering it live and allowing our friends and family to watch it live.

Think of three things to answer the question "What do you love about Midway"

Possible answers could include:

Swiss Days, Swiss Christmas, the incredible mountain setting, the people of Midway are all about service like Swiss Days.

Practice answering questions in front of the mirror. Smile, look at the reporter, and remember that your body language says more than the actual words you say. Have fun!!!! Say thank you for allowing you to be interviewed.

If you don't know an answer, say I don't know but you can bridge to "but what I do know is that people should mark their calendars for Swiss Days on September 2 and 3.

Midway named one of Country's "Snuggliest Towns"

SPECIAL TO THE WAVE

Midway was named the US's 10th Snuggliest Towns by Expedia, the travel website.

According to Expedia, "Up in the mountains, the air is fresher and the views are better. There's a sense of calm, as the only sounds come from nature—a babbling creek or a chirping robin. A getaway in the mountains can clear your head and get you in touch with the great outdoors, all while answering the call for adventure.

As sweater weather rolls in, now is the most idyllic time to escape to the mountains. To inspire your next rustic retreat, we've picked 17 of the best mountain towns in America—in no particular order. Explore these towns in the foothills and spend your days shredding slopes, uncovering the local history, and getting cozy by the fireplace."

In reference to Midway, the site says:

Fun fact: Midway is home to the only warm scuba diving destination in the continental U.S. Naturally heated to a toasty 96 degrees F, the diving spot is located in the Homestead Crater on Homestead Resort.

Midway

CONTINUED FROM PAGE A1

Where to play: Winter in Midway calls for some cross-country skiing at Soldier Hollow. Shred the Pony Express and take the plunge on the Rollercoaster trail, before rounding out the day flying down Utah's longest tubing lanes. Your fingers might be frozen come nightfall, but the adventures are well worth it.

Where to eat: Follow your appetite to Café Galleria. This pizza joint, decorated with photographs of Italy, serves thin-crust pies hot off the wood-fired grill. The Milanese, Genevese, and Sicilian pizzas will surely have you saying, "Si, grazie," to a second and third slice.

Where to stay: We know you're curious about that crater, so book a stay at Homestead Resort to see it for yourself. Snorkel down into the depths or simply soak in the heated mineral water before resting up in the homestead's inviting guest rooms, suites, or condos.

The towns named were McCall, Idaho, East Burke, Vermont, Durango, Colorado, Rutherfordton, North Carolina, Berkeley Springs, West Virginia, Truckee, California, Lake George, New York, Jacksonville, Oregon, Lead, South Dakota, Midway, Utah, Girdwood, Alaska, Littleton, New Hampshire, Idyllwild, California, Cle Elum, Washington, Ellijay, Georgia, Hamilton, Montana, and Bethel, Maine.

Observing Winter Snow Ordinances

Once again, the winter season is upon us. This means all kinds of fun such as skiing, tubing, making snowmen and beautiful snowfalls. It also means that the City has the responsibility of keeping our roads plowed and clear of driving hazards. This responsibility is also shared by each resident in several ways which are contained in the City ordinances. As a reminder, and for those who may have moved into the area since last winter, here are the ordinances that all of us must follow.

Section 8.05.060 Parking during Snow Cleanup Periods: Beginning November 15th of each year and terminating April 1st of the following year, it shall be unlawful to park any vehicle within three feet of any City Street in a public right-of-way in all residential zones during designated snow clean up periods. The snow clean-up period begins with the start of snow falling and accumulating on the City streets, continuing thereafter for the next (24) hours or until the snow removal has occurred, whichever comes first. All vehicles not moved during this period will be subject to being towed at the owner's expense.

Section 8.05.070 Snow Removal from Private Drives: It shall be unlawful for any person to remove snow from a private driveway or other private property and place or deposit that snow in or on any City Street or public right-of-way.

Section 8.05.090 Snow Removal Near Mail Box Receptacles: It shall be the duty of every property owner to monitor, uncover and remove accumulated snow and windrows of snow from over and around the owner's mailbox. The mailbox area shall be uncovered for a distance of not less than three feet on all sides.

Section 8.04.020 Trash Cans: It shall be unlawful to place or leave trash cans in a location in or on any City Street or public right-of-way except on the designated trash pickup day for that location.

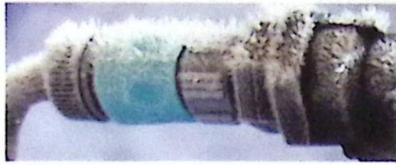

Section 8.05.050 Improvements in the Public Right-of-way during City Snow Removal: No improvements or landscaping shall be placed or allowed to remain in a City right-of-way in such a manner that it may affect or interfere with the City snow removal. Notwithstanding any other provisions contained in this ordinance, the city is not responsible or liable for any damage or destruction caused by the City or any other person or entity to sprinklers, mailboxes, lights, plants, trees, shrubs, landscaping or other improvements of any kind located within the public right-of-way, regardless of whether or not such improvements comply with this ordinance.

All Street ordinances can be found on the city website at: [midwaycityut.org/municipal code](http://midwaycityut.org/municipal_code).

I would ask that all of us be mindful that our ordinances are created and approved by the City Council, not as a punishment, but as a document for everyone to follow in making traffic flow smoothly and safely, and to help City workers keep our streets clear through the winter months. As you clear your walks and driveways, avoid throwing or pushing the snow onto City streets or rights-of-way; keep snow cleared from around mailboxes and fire hydrants; and make sure tree branches are trimmed back to assure snow plows can safely plow your road without branches hitting rear view windows or other parts of the truck and causing vehicle damage.

Don't Let This Be You

Winter Water Service Frost Prevention

Residents are urged each year as the winter temperatures change to the cold side to install a garden hose on an outside water faucet and allow for a pencil size stream (approximately 3/8" inches diameter size) to flow through it. This will help in the prevention of your waterline from freezing.

Also, water meters that are located near driveways and sidewalks have a high potential of freezing once the blanket of insulated snow is removed (plowed) because this allows the frost to penetrate deeper into the ground allowing for the water lines to freeze. If a water service freezes up, the City is responsible for defrosting the water service from the meter to the mainline. If the water service freezes from the meter to the house it is the responsibility of the homeowner to pay for any services/fees that may occur in the defrosting of your water service. If water is flowing from your water meter box, please contact the City, DO NOT TURN OFF any water or valves yourselves. The water meters are designed to break on the bottom to help in the prevention of freezing the water service from the meter to the water main. Midway City cannot prevent their side of the water service from freezing without the residents help. If a frozen water line occurs on the City side of the water meter, the City will defrost their side without any charge to the homeowner for the first occurrence, if the line freezes a second time after the line has been defrosted and no visible action has been taken by the homeowner to prevent freezing on their side of the water meter as recommended by the City, the homeowner will be responsible for all fees that occur in the defrosting of the waterline. From November 1st to April 1st water meters will not be billed for overages.

On behalf of the Midway Boosters, we wish you the best for 2017. We can't begin to express our appreciation to the great community of Midway and the Heber Valley. We extend a special thanks to Midway City and all the volunteers and Boosters who made the Annual Interfaith Crèche such a wonderful event. We thank the highly talented volunteers who helped stage and performed in plays and concerts during the Christmas season. We also thank all those who enjoyed and supported these local events.

We thank the 2016 Swiss Miss for all they have and continue to do to promote Midway. We invite all girls interested in representing Midway as a Swiss Miss in 2017 to attend the Introductory Swiss Miss Tea (best dress please) on Saturday, February 4, 2017 at 11:00 a.m. at the Midway Town Hall. Please bring a parent or guardian. This is open to all girls age 9-13 as of May 31, 2017 who are residents of Midway.

We encourage local organizations and high school students to go research the availability of Midway Booster grants and scholarships on midwayboosters.org.

As with every year, we extend our heartfelt thanks to the outgoing members of the Board of Directors of the Midway Boosters. They include Tara Snow, Nancy Simons, Kathey Maxfield and Larry & Ellen Bonner. We also thank Chip Maxfield, the outgoing Booster President and all Booster officers and congratulate the newly elected officers, Clay Coleman as President, Jody Klotovich and Craig Simons as Vice Presidents and Heather Rasband as Secretary.
